

## *Day Pitney LLP would like to invite you to a Women Winemakers Tasting Event*

Please join Day Pitney's Women Working Together for a tasting celebrating female winemakers from around the globe and their world-class wines.

"Women Winemakers" will be presented by a team of experts from Swirl Events® and will include an array of wines complemented by specially selected cheeses and tasty nibbles. We hope you can join us for an evening of socializing, networking, and learning more about these accomplished women winemakers and their wines.
