## Patently Enabled June 2024 – Comply With the Notice Requirement by Patent Marking

The purpose of this monthly series *Patently Enabled* is to share simplified patent-related information to assist non-patent practitioners in making the best decisions when considering their intellectual property rights.

In the June edition of *Patently Enabled*, Emily Ferriter Russo and George Chaclas explore the use of patent marking to comply with the notice requirement.

For any patent-related comments, questions or other inquiries, please contact registered patent attorneys Emily Ferriter Russo or George Chaclas.
