New Jersey Permit Extension Act Registration for Permits Open Until October 8, 2020

The Permit Extension Act of 2020, signed by Gov. Murphy on July 1, 2020, extends the term of certain governmental permits, approvals and deadlines that were due to expire on March 9, 2020, or the specified period following March 9, 2020. Under the act, the affected permit or approval must be registered with the Department of Environmental Protection (DEP). The registration requirement applies to specified permits, approvals and deadlines from more than just the DEP; such requirement also applies to a broad range of permits and approvals issued by state and local entities. **Applicants have until October 8, 2020, to register their permit, approval or deadline by providing information specified at www.nj.gov/dep/pea2020, or it will not be extended.**

The following summary of the act is provided for information purposes only. Please refer to P.L. 2020, c. 53 for further information. Note that no extension resulting from the act may reduce the time period of any approval valid as of March 9, 2020, nor does the act extend the period of any governmental approval that expired prior to March 9, 2020.

Approvals Extended by the Act

The act extends the following approvals, subject to the exceptions and limitations specified below, provided the approvals were validly issued and the term of the approval had not expired as of March 9, 2020:

- Any municipal, county, regional, or state approval or permit granted under the general authority conferred by state law, rule, or regulation or any other government authorization of any development application or any permit related thereto, whether that authorization is in the form of a permit, approval, license, certification, permission, determination, interpretation, exemption, variance, exception, waiver, letter of interpretation, no further action letter, agreement, or any other executive or administrative decision that allows a development or governmental project to proceed.

Soil and Fill Recycling Registration, Application or Licensing Requirements

In accordance with the act, the running of the period of any registration, application, or licensing requirement or time frame imposed pursuant to N.J.S.A. 13:1E-127.1 et seq., applicable to a person who performs soil and fill recycling services related to road or bridge construction activities, is suspended as of March 9, 2020. The calculation of any registration, application filing and licensing dates, and the requirements related thereto shall resume on the 60th day after the conclusion of the COVID-19 extension period.

Exceptions to Extension of the Approvals Subject to the Act

The Permit Extension Act does not extend:

- The time period of any government approval that expired before March 9, 2020.
- Any permit or approval issued by the government of the United States or any agency or instrumentality thereof, or any permit or approval for which the duration of or the date or terms of its expiration are specified or determined by law or regulation of the federal government or its agencies or instrumentalities.
- Any permit or approval issued pursuant to the Pinelands Protection Act, N.J.S.A. 13:18A-1 et seq., if the extension would result in a violation of federal law or any state rule or regulation requiring approval by the secretary of the interior pursuant to 16 U.S.C. § 71i.
- Any permit or approval issued within the preservation area of the Highlands Region, defined at N.J.S.A. 13:20-3.
- Any permit or approval issued by the Department of Transportation pursuant to Title 27 of the Revised Statutes or under the general authority conferred by state law other than a right-of-way permit issued pursuant to paragraph (3) of Subsection (h) of N.J.S.A. 27:1A-5 or a permit granted pursuant to N.J.S.A. 27:7-1 et seq. or any supplement thereto.
- Any permit or approval issued pursuant to the Flood Hazard Area Control Act, except (a) where work has commenced in any phase or section of the development; on any site improvement as defined in paragraph (1) of Subsection (a.) of Section 41 of the Municipal Land Use Law, N.J.S.A. 40:55D-53, or on any buildings or structures; or (b) where the permit or approval authorizes work on real property owned by the state or federal government.
- Any coastal center designated pursuant to the Coastal Area Facility Review Act.
- Any permit or approval within the Highlands planning area located in a municipality subject to the Highlands Water Protection and Planning Act that has adopted, in accordance with a Highlands Water Protection and Planning Council conformance approval, a Highlands master plan element, a Highlands land use ordinance or an environmental resource inventory, except that the provisions of this paragraph shall not apply to any permit or approval within a Highlands center designated by the Highlands Water Protection and Planning Council, notwithstanding the adoption by the municipality of a Highlands master plan element, a Highlands land use ordinance or an environmental resource inventory.
