## Patently Enabled November 2024 – Common Misconceptions About Patents

The purpose of this monthly series *Patently Enabled* is to share simplified patent-related information to assist non-patent practitioners in making the best decisions when considering their intellectual property rights.

In the November edition of *Patently Enabled*, George Chaclas and Emily Ferriter Russo dispel some of the common misconceptions about patents.

For any patent-related comments, questions or other inquiries, please contact registered patent attorney George Chaclas.
