The Dead Man's Statute: Effectively Employing CPLR 4519

Day Pitney New York Litigation Partners Gregory R. Bruno and Alfred W. J. Marks authored the article "The Dead Man's Statute: Effectively Employing CPLR 4519" for the *New York Law Journal*. The article discusses the elements and application of the "Dead Man's Statute" and offers practical guidance for practitioners to effectively employ the statute, as well as suggestions for potential applications that might not be directly apparent from the text of the statute but give effect to its underlying purpose.
