Patently Enabled July 2024 – Changes in Design Patent Obviousness Review

The purpose of this monthly series *Patently Enabled* is to share simplified patent-related information to assist non-patent practitioners in making the best decisions when considering their intellectual property rights.

In the July edition of *Patently Enabled*, George Chaclas and Cait Barrett explore the new *LKQ* test for design patent invention obviousness.

For any patent-related comments, questions or other inquiries, please contact registered patent attorneys Emily Ferriter Russo or George Chaclas.
