Empowering Women's Legal Careers: Mastering the Art of Rainmaking

Day Pitney West Palm Beach Trusts and Estates Partner Tasha Dickinson authored the article "Empowering Women's Legal Careers: Mastering the Art of Rainmaking" for the *Daily Business Review*. In honor of Women's History Month, Dickinson, a member of the firm's Executive Board, reflects on how the journey towards equity in partnership and board representation at law firms may well begin with mastering the art of becoming a rainmaker.

Read the full commentary piece on the art of rainmaking here.
