Patently Enabled August 2023 - What Are the Types of U.S. Patents?

The purpose of this monthly series *Patently Enabled* is to share simplified patent related information to assist non-patent practitioners in making the best decisions when considering their intellectual property rights.

This month, Emily Ferriter Russo and George Chaclas delve into the features of different types of U.S. patents, including the benefits and costs associated with each type.

For any comments, questions, or other inquiries, please contact registered patent attorneys Emily Ferriter Russo or George Chaclas.
