The 'ART' of Estate Planning: Assisted Reproductive Technology Issues to Consider

Alexis S. Gettier and Margaret St. John Meehan authored an article, "The 'ART' of Estate Planning: Assisted Reproductive Technology Issues to Consider," published by *Bloomberg BNA's Tax Management, Estates, Gifts and Trusts Journal*. The article focuses on current laws as they relate to assisted reproductive technology and estate planning, including issues involving ownership and custody of genetic material and inheritance rights of posthumously conceived children.
