Fokker and Its Aftermath: The Irony and the Legacy

Stanley A. Twardy, Jr. co-authored an article, "Fokker and Its Aftermath: The Irony and the Legacy," for the *Law Journal Newsletter's Business Crimes Bulletin*. The article is about the case *United States v. Fokker Services B.V.,* which represents the first time that a federal court rejected a deferred prosecution agreement between the Department of Justice and corporate defendants in a criminal matter.
