Marijuana Update: Must New Jersey Employers Accommodate Medical Use?

Francine Esposito, Naju Lathia and James Leva authored an article, "Marijuana Update: Must New Jersey Employers Accommodate Medical Use?," published in the October 2019 edition of *Employee Benefit Plan Review*, a Wolters Kluwer publication. The article discusses the impacts of the Jake Honig Compassionate Use Medical Cannabis Act (CUMCA), which was signed into law on July 2, 2019. CUMCA amended New Jersey's prior medical marijuana law, the Compassionate Use Medical Marijuana Act.
