Real Estate NJ 2021 Market Forecast

Craig Gianetti authored a piece for *Real Estate NJ* 's "2021 Market Forecast." The piece discusses the effects of COVID-19 on real estate, specifically the weakness in retail and strength of industrial. Gianetti also discusses the strong multifamily market in NJ, particularly the suburbs, and the shift in corporate office needs and its impact on corporate real estate.

Read the full piece and more here.
