

Kritika Shankar

Associate

Hartford, CT | (860) 275-0278

kshankar@daypitney.com

Overview

Kritika Shankar assists hospitals, physician practices, ambulatory surgery centers, and other healthcare organizations with transactions, physician employment agreements and other contracts, corporate governance, and compliance with healthcare laws. She brings a background in public health, clinical research administration, and health insurance to her practice.

Kritika was a summer associate at Day Pitney in 2025. While attending Northeastern University School of Law, she served as a legal intern at St. Jude Children's Hospital, researching issues involving clinical trials, artificial intelligence, patient consent, and telehealth. She also gained client counseling and advocacy experience as a family law intern with the Mental Health Legal Advisors Committee. Before law school, Kritika managed federally funded cancer research grant activities at the Cleveland Clinic and worked as an implementation coordinator at Anthem Blue Cross Blue Shield.
