Overview

Erin Magennis Healy is a corporate and M&A attorney who advises private companies and investors on complex strategic transactions including mergers and acquisitions, corporate restructurings, joint ventures, growth investments, and other transformative commercial matters. She represents clients across a broad range of industries including healthcare, life sciences, media, education, technology, and consumer-facing businesses.

Erin's experience spans domestic and cross-border acquisitions, private equity-backed investments, recapitalizations, and founder-led transactions.
