Day Pitney Secures Three Awards at the 2025 Family Wealth Report Miami, Latin America, and Caribbean Awards

Day Pitney is pleased to announce it has been recognized at the 2025 Family Wealth Report (FWR) Miami, Latin America, and Caribbean Awards as a winner in three categories. Real Estate Partner Daniel Diaz Leyva received recognition for the "Lawyer or Legal Counsel (Individual)" category for Latin America; Private Client Partner Sarah Jacobson received recognition for "Lawyer or Legal Counsel (Individual)" category for Miami; and the firm received recognition in the "Legal Practice – Miami" category. This award follows the firm's success in recent years in several other Family Wealth Report Awards programs.

Diaz Leyva commented, "This recognition highlights our commitment to serving the unique and complex needs of wealthy individuals and families and their operating businesses from Latin America. It is a privilege to work with such a talented team at Day Pitney, and I look forward to continuing to help our clients achieve their goals."

Jacobson added, "It is incredibly rewarding to assist families across generations and borders with navigating the complexities of the U.S. tax system and participate in their success as they achieve their legacy planning objectives. I am grateful for the recognition and proud to be part of a firm that is deeply committed to providing exceptional service to our clients in the Miami and global markets."

According to FWR, this awards program highlights the dynamic Latin American, Caribbean, and Miami markets, while showcasing and rewarding the wealth management community who service the high net worth and ultra-high net worth individuals and families in the regions. The judging process is always conducted by expert panels. They are made up of an impartial selection of domain experts from family offices, private banks, trusted advisers, consultants, and other service providers, each of whom has in-depth knowledge and broad experience. Each judge signs an NDA to ensure that all the information that they see in submissions remains strictly confidential. Panels are constituted in a way that no judge sees submissions from competitors.
