Emma Pletenycky Honored as 2025 Rising Star Fellow at NYSBA Trusts and Estates Section Spring Meeting

New York Associate Emma Pletenycky was recently honored at the New York State Bar Association's (NYSBA) Trusts and Estates Section Spring Meeting held in Charleston, South Carolina. Emma was invited to attend as the recipient of the Section's 2025 Rising Star Fellowship.

Emma was originally awarded the Rising Star Fellowship at the Section's Annual Meeting in January, in recognition of her active involvement and professional excellence. She attended the Spring Meeting alongside New York Partner Michael S. Schwartz, a former chair of the Section and current Executive Committee member. Emma also serves as Vice-Chair of the Section's Mediation Committee.

We are proud to celebrate Emma's continued impact on the trusts and estates community.
