Day Pitney Family Office Practice: Global Counsel for Generational Wealth

Day Pitney is proud to celebrate its recognition as the winner of the Outstanding Contribution to Wealth Management Thought Leadership — Company category in the 2026 Family Wealth Report Awards. This honor recognizes the firm's continued leadership in advising families of wealth, founders, family offices, and their business enterprises on the complex legal, business, governance, and generational issues that shape long-term success.

In a recent Family Wealth Report Awards *Acclaim* Q&A, R. Scott Beach, chair of Day Pitney's Family Office Practice, highlighted the firm's multidisciplinary approach to serving clients across corporate, private client, litigation, tax, investment structuring, governance, cybersecurity, data privacy, and cross-border matters. The feature also spotlighted Day Pitney's thought leadership efforts, including its Generations newsletter, Family Office Investing Series™, and its role in launching Lex Mundi's Global Family Office Group this past year.

We celebrate this recognition and the meaningful work Day Pitney attorneys do every day to help families of wealth navigate an increasingly global and complex landscape. Congratulations to Scott and the entire Family Office Practice on this well-deserved honor.
