Day Pitney Recognized as a Client Service Leader by BTI Consulting Group

Day Pitney LLP is recognized as a leader in client service in the new *BTI Client Service A-Team 2011*. The list, produced by BTI Consulting Group, Inc., evaluates individual law firm performance through direct feedback from corporate counsel. Day Pitney stood out in a field of more than 600 law firms serving Fortune 1000 companies.

"We are extremely proud to be among the firms being honored for outstanding client service," said Dennis R. LaFiura, chair of Day Pitney's Executive Committee. "With in-house counsel being more and more selective about whom they retain for legal work, this list is further proof of the outstanding service we provide to our clients on a regular basis."

BTI's *Client Service A-Team* rates more than 300 law firms based on their relationships with clients. General counsel and other corporate executives were asked to define 17 activities they use to select and evaluate outside counsel. The list is entirely client-driven, with no input from law firms.
