Day Pitney Receives Top Rankings for Female Equity Partners and Female Attorneys by ALM Media

Day Pitney LLP is pleased to announce that for the second consecutive year, the firm has been ranked among the top 20 Am Law 200 firms for its percentage of female equity partners in *The American Lawyer's annual A-List: Female Equity Partner Scorecard*. The ranking is based on the percentage of female lawyers in a firm's equity partnership ranks.

Also for the second consecutive year, Day Pitney was again ranked among the top 50 law firms in the *National Law Journal (NLJ) 500: Women's Scorecard*. Only the largest 350 firms in the nation are eligible for a Women's Scorecard ranking, and the score is determined by adding the percentage of the firm's female attorneys with its percentage of female partners.
