Day Pitney Sponsors Fairfield County's Annual Giving Day

Day Pitney is proud to once again sponsor Fairfield County's Giving Day, taking place on March 1. Hosted by Fairfield County's Community Foundation, Giving Day invites individuals, families, businesses, employee groups and others to support local nonprofits organizations through online donations in a 24-hour period. Last year's Giving Day had record-breaking results with over $1.46 million donated by 13,718 individuals for 414 nonprofits. This year, the Foundation hopes to exceed their top results.
