Day Pitney Ranks Among Top 20 Law Firms for Gender Diversity in The American Lawyer's A-List

Day Pitney LLP is pleased to announce that the firm has been ranked among the top 20 Am Law 200 firms for gender diversity, specifically, the percentage of female equity partners, in *The American Lawyer*'s annual A-List ranking. The newest metric included in the A-List ranking is a score based on the percentage of female lawyers in a firm's equity partnership ranks. Equity partnership, or law firm ownership, is considered to be among the most important indicators of a law firm's enduring diversity achievements.

This year, Day Pitney was also ranked among the top 50 law firms in the *National Law Journal* (NLJ) 500: Women's Scorecard. Only the largest 350 firms in the nation are eligible for a Women's Scorecard ranking, and the "score" is determined by adding the percentage of the firm's female attorneys with its percentage of female partners.
