Naju Lathia Appointed to New Jersey State Bar Association's Task Force on Artificial Intelligence in the Law

On October 23, Day Pitney Litigation Partner Naju Lathia was appointed to the Task Force on Artificial Intelligence in the Law for the New Jersey State Bar Association (NJSBA). The Task Force was created in the Fall of 2023 to consider the complex and evolving landscape of artificial intelligence in all legal contexts. The mission of the Task Force is to address legal and ethical questions surrounding the use of artificial intelligence in order to provide recommendations and guidance to NJSBA members and all New Jersey attorneys alike.
