Sebastian Lombardi Elected President of the Northeast Chapter of the Energy Bar Association

Day Pitney Energy Partner Sebastian M. Lombardi was elected President of the Northeast Chapter of the Energy Bar Association (EBA). The EBA is an international, non-profit association of attorneys and energy professionals active in all areas of energy law. The EBA hosts numerous educational and networking events throughout the year, including two of the largest annual energy law and policy events in the U.S., attracting hundreds of federal and state regulators, executives, energy attorneys and policymakers who convene on key issues impacting energy law. The Northeast Chapter, EBA's largest chapter, focuses on issues in energy regulation specific to the northeastern United States, covering the states of Connecticut, Delaware, Maine, Massachusetts, Maryland, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, and Vermont, as well as the District of Columbia.
