Day Pitney Represents Iridian Asset Management in Forming Global Impact Fund

In December 2022, Day Pitney represented Iridian Asset Management LLC, a Connecticut-based investment management firm in connection with the formation of Iridian Global Impact Fund LP, a long-only private fund which invests primarily in impact-oriented public companies consistent with the European Union's SFDR Article 9 guidelines. The Day Pitney team, consisting of Peter Bilfield, Michael Cummings, Gessi Giarratana and Kim Morabito, advised the client on the preparation of offering documents, including a private placement memorandum, limited partnership agreement and subscription agreement.
