Day Pitney Sponsors Friends of Faulk Celebration Luncheon

On September 14, Day Pitney sponsored the Friends of Faulk Celebration Luncheon at the Addison of Boca Raton in honor of the Faulk Center's upcoming 50th Anniversary. Faulk Center's primary purpose is to provide no-cost and low-cost psychological and consultation services to persons in need of mental health counseling. For almost 50 years, Faulk Center has been a trusted community resource to help individuals and families successfully address their emotional well-being through a variety of free and low cost counseling, therapy, and supportive services to help meet the largely unmet mental health needs of the South Florida community.

Day Pitney Litigation Partner Gary Betensky is on the Board of Trustees of the Elizabeth H. Faulk Foundation. Betensky and the firm are joint sponsors for the 50th Anniversary celebration in January and the recent luncheon.
