Leading the Way: How South Florida Law Firm Leaders Are Navigating Novel Challenges

Miami Office Partner Manuel Garcia-Linares was recently quoted in the *Daily Business Review* article, "Leading the Way: How South Florida Law Firm Leaders Are Navigating Novel Challenges."

"I think the whole legal market has changed," said Manuel Garcia-Linares. "Folks want flexibility, they want support. There's definitely a desire toward a hybrid model where you're not in the office five days per week."
