

Practices & Industries

Acquisitions & Dispositions

Overview

Day Pitney serves a diverse range of real estate clients, including corporate owners, developers, private equity funds, institutional investors, REITs, family offices, international investors, and individuals in the acquisition and disposition of all types of real estate across the U.S.

Our experience spans various asset classes, including mixed-use and multi-family developments, shopping centers, office buildings, corporate campuses, industrial properties, brownfield redevelopment sites, hospitality assets, and more.

Our clients entrust us to provide a broad range of services throughout the full cycle of real estate projects. In addition to acquisitions and dispositions, we handle strategic planning and structuring, financing, equity raising and fund formation, leasing, joint ventures, development approvals, condominium formation, construction contracts, and provide related environmental, tax, employment and litigation advice.

With a keen understanding of our clients' needs, our real estate team combines innovation with knowledge and experience to deliver value in every transaction.
