Day Pitney Advises Evident Thermoelectrics in Acquisition of GMZ Energy

Boston, Mass., May 27, 2015— Day Pitney LLP represented Evident Thermoelectrics, a leader in thermoelectric solutions for power generation, in the purchase of assets from GMZ Energy, Inc. for an undisclosed price. GMZ creates high temperature, stable semiconductor nano-materials for thermoelectric applications like waste heat recovery. The acquisition includes all patents, equipment, product lines, website, customer contacts and the brand.

Day Pitney attorneys Dan Carragher and Chris Matteodo advised on the deal.

Day Pitney has previously advised Evident Thermoelectrics, a long-time client, on various other matters.
