OVERVIEW

Brian Fischer represents private equity and venture capital investors, public companies, closely held companies and emerging growth companies in formation, debt and equity financings, mergers and acquisitions, strategic joint ventures, technology arrangements, and general corporate matters. He advises clients in structuring, forming and operating private investment funds, partnerships and joint ventures. Brian also has significant experience in transition planning for family-owned and closely held businesses and assisting owners and management in preparing for and executing sale transactions and other transitions to the next generation of owners and management.

EXPERIENCE

Prior results do not guarantee a similar outcome.

Represented an international engineering company its stock acquisition of a tool design and manufacture company

Advised family office with distressed technology company investment, including bridge loans, loan restructuring and ultimate workout (outside of bankruptcy) to secure equity ownership of target company
