Litigation

OVERVIEW

With decades of experience representing companies of all sizes, from small businesses and startups to large national and international corporations, Day Pitney's skilled trial and appellate counsel, arbitrators and mediators have established a reputation for success. Our commercial litigators offer insightful, effective strategies for overcoming obstacles and resolving disputes of varying magnitude and complexity. Each matter receives the resources that match the needs and goals of the client and appropriately address the legal issues involved. Each case is managed to achieve a time- and cost-effective resolution, which includes evaluating the range of strategies that can be pursued to reach the client's desired result in each case, such as arbitration, mediation and other forms of alternative dispute resolution.

Day Pitney lawyers' responsiveness has resulted in long-standing relationships with clients who call on us to handle everything from basic contract disputes to complex litigation. Our lawyers have worked on almost every type of litigation, including antitrust and unfair competition, contract disputes, construction and infrastructure projects, consumer finance, creditors' rights, white collar, franchises and distributorships, insurance and reinsurance, product liability and other torts.
