OVERVIEW

W. Matthew "Matt" Robinson represents domestic and foreign businesses in connection with corporate structuring/formation, asset/equity purchase and sale transactions, and venture capital financings. He represents individual and corporate clients in complex private placement transactions involving regulation D/S in various industries, including but not limited to emerging technology, real estate and international consumer sales.

Matt also counsels clients on and negotiates the full spectrum of transactional real estate documents, such as mortgage consolidations, mortgage modifications, purchase/sale agreements, lease agreements, title documents, operating agreements and partnership agreements. He also routinely prepares and negotiates a multitude of primary and ancillary corporate transaction documents, including stockholder's agreements, SAFEs, convertible notes, executive employment agreements, vesting agreements, employee confidentiality and proprietary rights agreements, consulting agreements, terms of service, service agreements and other associated transaction documents.
